

Data protection short form privacy notice

The basics

We collect and use relevant information about you to provide you with the insurance cover or the insurance cover that benefits you, and to meet our legal obligations and the obligations of others in the insurance chain.

This information includes details such as your name, address and contact details and any other information that we collect about you in connection with the insurance cover, or the cover from which you benefit. This information may include special categories of personal data details such as information about your health and any criminal convictions you may have.

In certain circumstances, we need your consent to process certain categories of information about you (including special categories of personal data details as mentioned above). Where we need your consent, we will ask you for it separately. You do not have to give your consent and you may withdraw your consent at any time by sending an e-mail to data.protection@loyds.com (without however affecting the lawfulness of processing based on consent prior to its withdrawal).

Nevertheless, if you do not give your consent, or you withdraw your consent, this may affect our ability to provide the insurance cover from which you benefit and may prevent us from providing cover for you or handling your claims.

The way insurance works means that your information may be shared and used by a number of third parties in the insurance sector (both inside and outside Belgium, and inside and outside the EU). For example, insurers, insurance agents or insurance brokers, reinsurers, loss adjusters, sub-contractors, regulators, law enforcement agencies, fraud and crime prevention and detection agencies and compulsory insurance databases. We will only disclose your personal information in connection with the insurance cover that is provided, and to the extent that it is needed or allowed by law.

We keep your personal details for no longer than is necessary in offering the insurance arranged or to comply with our legal or regulatory requirements.

Other people's details you provide to us

Where you provide us (or your insurance agent or insurance broker) with details about other people, you must ensure that this short form privacy notice is provided to them.
